

Bellingham Figure Skating Club

Mentoring Program

The BFSC mentor program is active and growing. Some of our more advanced skaters are mentoring younger skaters by providing information on skating skills, ice protocol and simply answering questions the younger skater may have. Big Buddies can earn volunteer hours and develop teaching skills. Ice time can be arranged for Buddies to skate together and special activities can be planned for participants. If you are interested in participating as either a Mentor or a Mentee, please complete this form and return it with your membership packet.
